Dear Mitchel;

It has been since the early 1990's that Great American Restaurants first purchased their phone system with Delta. I was pleased with the quality of service and equipment back then and remain pleased to this day.

We have continued using Delta over the years for your professionalism and for your constant attentiveness to our needs.

You are an essential asset to Delta. We will continue to purchase our phone needs through you in the future.

Sincerely;

Linda P. Travis
Manager
